The California Association of Teachers of English is a non-profit professional organization dedicated to excellence in the teaching of English Language Arts in pre-school through college. CATE is also one of the largest affiliates of the National Council of Teachers of English.

Nine Regional Councils:

5. FACET (Fresno)
6. TUCATE (Tulare)
7. Kern
8. Southland
9. San Diego

Why Belong to CATE?

In attending my first CATE conference, I learned so much about my profession, my content area, and where we are headed in education. I had never been in a room with so many passionate and spirited people who all shared my love of teaching. The culture of the conference provided a welcoming environment to have real conversations about teaching our students, and the many challenges we face as educators.

-Victoria Carlstrom, San Bernadino, CA

CATE has provided me with opportunities to connect, collaborate, and learn with veteran educators. I've grown personally and professionally from my involvement with CATE.

-Matt Brashears, Sunnyvale, CA

Every time I come to a CATE conference I am renewed with enthusiasm for my craft. I leave with lesson plans as well as a new love for my profession. Words cannot truly express how CATE has not only made me a better teacher but also a better person.

-Jennifer Naumann, Huntington Beach, CA
