**CTA –** Martinez reported that the state budget is the main concern. CTA recommends calling your legislator. Many counties may be having rallies on Day of the Teacher opposing the state budget.

Zaragoza-Diaz recommended that CATE write up a resolution on state budget.

## STANDING COMMITTEE REPORTS

**Policy/Censorship** – DUNSTAN, *Burke, Carrillo, Cecil, Danielson, Martinez, Rippee, Sahlberg, Younglove*

Building on Zaragoza-Dias report from Sacramento and using CTA's resolution provided by Martinez, the committee drafted a CATE Board resolution on the Governor's budget. Reinstating CATE's annual lobbying visit to Sacramento was discussed and noted there was a need to increase the "Policy" line in the budget.

**Cecil moved and Dunstan seconded that we approve and send the Board Resolution on the Governor's Budget 2008 below for publication and distribution.**  
**MOTION CARRIED.**

**Therefore be it resolved that the California Association of Teachers of English (CATE) condemns the governor's state budget proposals as disastrous for public education in California.**

**Be it further resolved that CATE calls on the governor and the legislature to reject across the board cuts, protect Proposition 98 funding, and examine a more balanced approach to closing the budget gap.**

Goals for 2008-2009

- Bring a CATE board resolution to NCTE.
- Encourage each council to bring at least one resolution to the December meeting.
- Publicize and mark NCTE's advocacy month next April.
- Revisit the code of ethics.
- Send policy chair to NCTE.
- Get CTA's "Guide to Sacramento" for the policy committee.

**Convention Coordinating** - HASE, *Berry, Delfino, A. Fristrom, P. Fristrom, Himel, Hockensmith, McAninch, Tracey*

Mary Marshall, CATE's computer programmer, presented several ideas on how CATE might better meet its needs by using Microsoft Access database for compiling information for the program. Data in Access can be exported as either Word or Excel documents, making it more universal. The data can also be manipulated more easily for making signs, etc.

Marshall also gave CATE a quote for Adobe 8, which allows for PDF files to be edited. This could aid in the editing of the program.

Wilson gave a detailed Exhibit's Manager's report. He made many suggestions, some of which CATE should definitely follow up on. Some suggestions the committee felt were already in place, or some we had no intention of doing, but universally the group appreciated the care Wilson took in evaluating the program and giving honest feedback.

Berry expressed concerns about the Hospitality Suite being very poorly attended. It was awkward for Berry and Mitchell to be the only two people in the suite with an award winner. Our suggestion is that presidents take an active role in escorting award winners and perhaps a small entourage from the council to the hospitality suite. Also, in the future it was suggested that Board members sign up for a particular hospitality visiting time.

The Committee discussed Pad Kansara's initiative for Professional Development. The sense was that contacting members to advertise a commercial venture, no matter how worthy would not fit CATE's role.

The Committee discussed the voucher system for exhibits that P.Fristrom suggested. At this time the committee did not recommend changing to the voucher system.

The coordinator will contact Wilson regarding the possibility of putting an "Agree" button on the online submission for presenter proposals. If the cost to do this is nominal, we will ask that it be done.

Hase moved Danielson seconded that we approve accepting Carol LeCren as program designer for 2009. **MOTION CARRIED.**

Hase moved and Rippee seconded that CATE reinstitute the California Author of the Year Award. **MOTION CARRIED.**

Hase moved and Delfino seconded that the fees for the 2009 Convention not exceed the following:

	Non-member	Member
Package A	\$580	\$540
Package B	\$460	\$420
Package C	\$405	\$365
Pecon Reg.	\$180	\$140
Registration	\$200	\$160
\$10 deduction for early bird registration postmarked before 12/31/08		
Student Teacher	\$100	\$ 80
A la carte meals		
Friday Lunch	\$ 50	
Friday Evening	\$ 65	
Saturday Lunch	\$ 50	
Saturday Banquet	\$ 65	
Brunch	\$ 50	

**MOTION CARRIED.**

Hase moved and McAninch seconded that the Santa Clara Hyatt be the 2013 site for CATE with the provision that Hyatt reduce the attrition clause from 85% to 80% and honor a 50% staff room rate. **MOTION CARRIED.**

Coordinator and co-chairs will see if the hotel may be able to design a menu for the convention that would trim \$10 off the meal costs above.

The committee discussed at great length the proposal for the convention coordinator to be a paid position. The meeting continued regarding this issue.

**Leadership** – SURABIAN, *Allen, Cirimele, Clarke, Lapp, Karpowicz, Medford, Williams*

The committee discussed some of the ways council presidents can support and be supported by each other in working at the local level. We need to continue to find ways to increase membership and support leaders, giving opportunities to newer teachers, while not burning out the veterans.

CATE is supporting Karen Brown for the NCTE Leadership Award but does not have a nominee for Classroom Excellence for 2008.

The committee discussed the upcoming elections for 2009 and are starting to look for candidates to run for the offices of Secretary, Membership, MAL Unspecified and MAL Secondary. We would like to see more than one name for each office.

It was noticed that no monies had been spent from the leadership line, although it was known that some board members had brought guests. The committee wants to continue to do this as we feel once people get to know us, they realize what a dynamic group of teachers we are.

Goals for 2008-2009 are:

- To bring forth a nominee for the NCTE Teacher of Excellence Award
- To create a system for securing nominees for NCTE in the future.
- To continue to bring people to board meetings in order to foster leadership
- To mentor incoming local presidents both at the state and local levels.
- To improve communication among the presidents and make it available electronically. (If councils use a handbook, could they share it with other councils as a model? This is differentiated from the Presidents Handbook, which gives presidents information at the State level.

In looking back over the past year 2007-2008, the committee has succeeded in encouraging new leadership as evidenced by the new board members and council presidents, nominated Karen Brown, a

newly elected board member, for the NCTE Leadership Award, and continued to look for new ways to support CATE and its mission.

One suggestion to help bolster membership was to provide a time at the September meeting, possibly Friday night, for the Membership Chair to meet with Council Membership Chairs. We realize this would involve inviting local chairs to the September board meeting, but we felt this could be a valuable use of time, especially for new chairs.

**Redwood** – Sahlberg reported that the Council met in March to follow up on CATE at Long Beach and to share lesson plans and to celebrate making it back to Humboldt after a few harrowing travel experiences. The May 20<sup>th</sup> local writing contest award ceremony at Humboldt County Office of Education was discussed. This year the contest received 230 submissions. Invitations have been sent to those who placed but students do not know what place they earned until the awards night. Expressions of gratitude were extended to Pam Cavanaugh and Megan Day who coordinated this event. Two CATE State Writing Contest winners from the Redwood area will be recognized: Pavlina Crowley, sophomore at Arcata High School, who won the 9/10 level and Vanessa Pike-Vrtiak, sophomore at college of the Redwoods, who won the College level.

May 4, 2008

Berry called the meeting to order at 8:08 A.M.

### **President of Presidents' Report –**

Dunstan reported that all the presidents were present at the meeting except Danielson whose plane was late. One goal was to have all presidents present for the meeting. The feeling was that they achieved the goal of doing a better job of getting award information to the past president. There has been a need to get documentation by the December Board meeting.

It would be good if all councils had their own web sites. Larry Jordan always offered to set up a web page for each council; the presidents are hoping to pursue whether Jeff Wilson would be willing to do that. Perhaps students could do it. Could we contact Carol LeCren? Also want to have a link to the webpage. Budget? Could we increase mileage?

The presidents loved having the council ribbons at the convention. Seemed to improve attendance at the council breakfast.

The literary map was discussed. It was asked that each president give Himel a list of 10 author names. Agreed to keep more regular touch with each other when events are taking place within their region.

Teachers of Excellence Award – need to see that we don't have a lack of nominees.

## **STANDING COMMITTEE REPORTS**

### **Convention Coordinating Committee (continued)**

McAninch brought an exhibit proposal from a company that could track exhibit data by adding a bar code to the name tags for trackable data i.e. numbers of those who visit each exhibit booth. Decision of the committee was that this not be pursued.

P. Frstrom suggested a voucher that "early bird" registrations would receive. That was not approved.

A proposal was suggested that CATE work with Terri Schrader of the Marriott Chain – could she ask all Marriott properties for proposals for board meeting rooms. The proposal was rejected at this time.

**Executive/Finance** - DELFINO, Berry, Dunstan, A. Fristrom, P. Fristrom, Hase, Rippee.

**Delfino moved and Williams seconded that we negotiate with Helms-Brisco that they cut their room rate to 5%. And if they do not agree, we will sever our relationship with them. MOTION CARRIED.**

**Delfino moved and Medford seconded that we increase the mileage reimbursement amount from \$.40 to \$.45. MOTION CARRIED.**

**Delfino moved that we accept the proposed budget presented by Treasurer A. Fristrom with the following changes: \$1400 transferred from the reserve to increase total income to \$368,900, as a result of adding \$1,000 to Policy Censorship line in the budget and add \$500 to the Leadership Expense line.**

**Williams move to amend the motion so that we add \$1000 into the Leadership Line to bring Membership Chairs to the September meeting. Clarke seconded Delfino made a friendly amendment changing the amount from \$1000 to \$500. Williams accepted. MOTION CARRIED. The original MOTION CARRIED.**

**Since the second motion amended the original motion, the original motion was not passed until the amendment was carried.**

**Dunstan moved and Karpowicz seconded that we reduce the number of issues of *California English* from five to four. MOTION WITHDRAWN.**

**Publications** – McANINCH, Burke, Carrillo, Cecil, Cirimele, Clarke, Himel, Sahlberg, Younglove

Younglove reported that Olga Kokinko, Coordinator of CATE's Professional Writing Contest has sent the prompt to Carol Jago for inclusion in the next issue of *California English*. The contest deadline is August 31, 2008.

McAninch, California Coordinator for the NCTE Achievement Award in Writing, asked for volunteers from the Publications Committee to read and score the entries. All of the Publications Committee responded.

The prompt for the CATE 2009 Writing Contest has been drafted by the committee. Anne Sahlberg, CATE Writing Contest Coordinator, will send the prompt to Carol LeCren.

Budget priorities have been discussed at the meeting in March. At that time, both Jago and Burke expressed satisfaction with the current status of *California English* and CATENet. Jago reported that revenue from advertisers had grown. The committee recommends that CATE continue publishing five editions of the prize-winning journal.

Himel requests that Council Presidents identify significant writers associated with their part of the state and send the names to her by August 1, 2008. She would particularly like to add contemporary names to the California Literary Map.

Janet Fitch has written a book aimed at students who wish to improve their skills at timed writing tests such as the 25-minute SAT writing. She is requesting readers for her manuscript. If you are interested, and will be in Los Angeles in late June, please contact Himel.

The Publications Committee suggests that the Publications Chair, Convention Chairs and a CATE Board member, such as the Past President, form a committee to establish the criteria involved in the selection of recipients for the newly re-instated "California Author of the Year Award." P. Fristrom has volunteered to research the history of the award, which CATE has given in the past.

**Membership** – WILLIAMS, Allen, Danielson, Hockensmith, Lapp, Karpowicz, Medford, Surabian, Tracey

A discussion occurred about what to do with the many pens that were left from the 2008 Convention. The final decision was to put them on the tables of the first food event for people to take with them. If any pens are left, they would be given to the Councils for distribution.

Discussion further took place as to whether we want to come up with a gift for next year. Perhaps we need to limit the costs of the gifts given in 2009. Many suggestions were given – flash drives, Redwood seedling, or something having to do with technology. Williams will check on ways to put advertising on them to offset cost.

In connecting with CRA, CWP, CLRP to distribute flyers and promote membership, Williams was disappointed that only a few signed up to go to the writing project workshops this summer to distribute membership flyers for CATE. Discussed also how we could do outreach to other groups. (Send a brochure packet with Power Point presentation.) Williams will contact Marlink to see if Williams can send a packet of info to distribute to other CWP leaders. Tracey may attend CRA in Sacramento.

Discussion took place regarding the correspondence for renewals. Williams will ask Precision for everything they send out and will bring that to the September meeting. Williams is asking members of the committee to bring to September meeting, ideas for reminders. Committee discussed using electronic reminders.

Hockensmith discussed having a button for a bulletin board component on CATEweb. It would be a different way of reaching our membership. He will bring a proposal to the September meeting and present it to us. Discussion took place regarding testimonials on CATEweb. Possibly we could videotape the 2 minutes for CATE and use those because they have been very effective and could be attached to the Website under Membership as information about why joining CATE is beneficial. Perhaps attach them to CATEweb i.e. Youtube. Our technological presence needs to be made stronger. Perhaps pursue ideas with Goodsearch where you register your charity.

A membership booklet needs to be created that goes to the local council membership chairs to assist them as to what their responsibilities are, what they should do, and why they should do it. There seems to be a lapse between the Membership Committee and the local Membership Chair. (Is there a way for the council to send an announcement to Precision and they mass e-mail to all the members of that larger council or all members?)

Hase was thanked for getting the ribbons because all seemed pleased with wearing these.

We agreed to continue to work on the goals we set last year. In other words continue a call to action. Several years ago we had a goal to increase membership. We didn't achieve it, but we all made a commitment to reach that goal. Perhaps we should submit a proposal that if the council could bring their membership chair to the September meeting, they do so and if not, could CATE fund the membership chair from the local council. We should also try to meet with local membership chairs during the CATE meeting.

Review Power Point – Postponed this until September meeting. What we do have can be used this summer.

Is there someone that could create a card with “CATE Connects” on a business card?

#### **Convention Coordinating (continued)**

The renewal of Convention Coordinator's role was discussed at length and Hase chose to resign.

**McAninch moved and Clarke has seconded that Punky Fristrom be appointed temporarily as Convention Coordinator. MOTION CARRIED.**

**Hockensmith moved and Delfino seconded that Himel be appointed as 2010 Convention Chair. MOTION CARRIED.**

#### **2009 Convention Report**

Delfino reported that the Convention Committee is getting wonderful support from the members of Central Council. Many have taken chair positions. The chairs are looking to all CATE Board members to assist in the myriad of tasks need to be performed.

Thanks to Carol LeCren for extending the theme: “Voices at the Epicenter of Change” into a wonderful visual.

Three major speakers are committed: Gail Tsukiyama, Taylor Mali, and Dorothy Allison. We are looking at a couple of small changes in the schedule but nothing drastic.

The following strands are being worked on: Graphic Novel, Steinbeck; Gay/Lesbian/Bisexual/Transgender; Addressing Cultural Diversity; Technology; Spoken/Written Word (Poetry Slam.)

#### **New Business**

**Hockensmith moved and Carillo seconded that CATE set up a Goodsearch account. MOTION CARRIED**

## **Old Business**

**P. Fristrom moved and Dunstan seconded that President, Bob Chapman, Vice President, Charleen Delfino, and Treasurer, Anne Fristrom, be the authorized signatures on all CATE's accounts at Washington Mutual and at Vanguard and that only one signature be required. MOTION CARRIED.**

## **Announcements**

Younglove announced that the book "The Call of Memory: Learning About the Holocaust Through Narrative," on which he served as associate editor, has been published and is available on Amazon.com.

There will be two Member-at-Large positions open on the board – Tish Griggs' and Bob Chapman's. Chapman will recommend appointments in September.

Free membership to SurveyMonkey allows only ten questions but Berry has joined for one year and because of her membership one may ask more questions to be surveyed and Berry is making this service available for CATE to use.

Liability insurance for the CATE board for financial commitments board members make, is something that needs to be finalized. Hockensmith has inquired about this and suggested a committee meet about this. The committee consists of Berry, P. Fristrom and Hockensmith.

**Williams moved and Clarke seconded that we adjourn the meeting. MOTION CARRIED.**

Meeting adjourned at 11:32 A.M.

Respectfully submitted

Lorraine K. Tracey  
Secretary

Next meeting: September 19, 20, 21, 2008 – Marriott, Santa Clara
